WAIVER AND ASSUMPTION OF RISK

I recognize and understand I am about to enter a scrap processing and recycling yard that may present specific hazards to my person.

I understand my presence at Scrap Metal Services, L.L.C. (together, with its affiliates, divisions and subsidiaries "SMS") is to inspect certain SMS assets prior to an on-line auction to be conducted on February 2, 2021 as well as to access the premises to remove the asset(s) in the event I am the successful bidder (collectively, the "Auction").

Through my own volition, I hereby accept the risk associated with the Auction.

With the signing of this document, I hereby release SMS and PPL Group, LLC, their employees, officers, agents and insurers from any and all claims or causes of action that I might have against them due to any injuries sustained on their premises. I promise not to file a lawsuit, seek damages, or file any claim because of anything that happens while on the premises of SMS or participating in the Auction.

I fully recognize and comprehend that this voluntary waiver of legal liability covers and includes injury or injuries sustained while participating in the Auction for any purposes whatsoever. This includes, but is not limited to, ingress and egress to and from the premises and shall apply any time I am on the SMS premises. This also includes injuries arising from the negligence of myself or someone else.

I have read the above completely and understand its purpose and contents. I sign this legal and binding document without any reservation or objection. To the fullest extent of applicable law, I recognize and agree with the intent to protect SMS and PPL Group, LLC from any and all liability associated with my presence and participation in the Auction. I do hereby reaffirm my intention to waive my legal rights and remedies.
