3. **TAXES:** Prices may not include any federal, state, or local taxes, which are in addition to the purchase price and must be paid by purchaser. Sales tax will be charged on the total purchase price of an item, which includes the Buyer’s Fee. Machinery and equipment used in the manufacturing or assembly of tangible personal property for wholesale or retail sale are exempt from tax in the state of Illinois, otherwise purchaser must furnish a tax exemption certificate, any sales, use, excise, or other similar tax, where applicable, shall also be the responsibility of purchaser and may, at the election of PPL, be added to the quoted purchase price and invoiced by PPL to purchaser. The failure of PPL to invoice such taxes does not excuse the purchaser from responsibility for paying same. When a sale is in a state other than the state of Illinois, there will be specific information relative to the sales tax rates and any exemption to the specific auction sale and will be posted with each individual auction sale in the Buyer’s Guide.
4. **REMOVAL:** Each auction will have specific information relative to the times of removal. All items must be off the premises by a specific time and date. A certificate of insurance is required for all riggers and should be sent to PPL Group LLC before any removal is allowed. If you intend to do your own rigging and use any kind of powered/motorized equipment in the process, you must have a certificate of insurance. Contact PPL Group LLC for insurance requirements for specific auction. PPL Group LLC is not a rigging company and therefore will not be able to help with any rigging.

Articles are not warranted as merchantable or fit for any particular purpose, and no claim may be made by purchaser relating to the condition or use of articles purchased or for proximate or consequential damages arising therefrom.

9. **SAFETY DEVICES:** Articles purchased may not incorporate approved activating mechanisms, operating safety devices or safety guards, as required by OSHA or otherwise. 11. **CLAIMS:** No claims will be allowed after removal of goods from premises or left on premises past allowed time limit.
12. **RESPONSIBILITY FOR NON-DELIVERY:** Neither the auctioneer nor the seller, in any event, shall be liable for non-delivery or for any other matter or thing, to any purchaser of any lot, other than for the return to the purchaser of the deposit or sum paid on said lot, should the purchaser be entitled thereto.
13. **COMPLIANCE WITH TERMS OF SALE:** In default of payment of bills in full within the time therein specified, the auctioneer in addition to all other remedies allowed by law may retain all monies received as deposit or otherwise, as liquidated damages. Lots not paid for and removed within the time allowed herein may be resold at public or private sale without further notice, and any deficiency, together with all expenses and charges of resale including legal fees, will be charged to the defaulting purchaser.
14. **RISK TO PERSON AND PROPERTY:** Persons attending during exhibition, sale or removal of goods assume all risks of damage of or loss to person and property and specifically release the auctioneer and seller from liability therefore.
